

Global Felicitations! For being Best in Experiential Learning

'The reward for work well done is the opportunity to do more'

In the dynamic field of education, at the global level, schools are working with their heart and soul to bring up-gradation in their existing systems of working and when that is recognized at a world platform as big as AKS Education Awards, the ecstasy is unparalleled.

It is a matter of great pride to mention that the school won the award of Best Experiential Learning School among the esteemed conglomerate of Educators. The fact that the school was awarded from several schools that participated from around 27 nations, makes the recognition even more worthwhile. Receiving the award has added to the global fame and definitely given an edge to the school brand and ascertained that the school is in the right direction.

This is of course not the end but the start of a journey of multiple achievements coming way.
